

Memory Café

What is a Memory Café?

A Memory Café provides a safe and comfortable environment where people with early stage memory loss and their companion/caregiver can socialize, engage, relax, and HAVE FUN, with others traveling the same journey.

No monthly costs, no membership, no registration required.

*Outings may require a RSVP and a small fee to all attendees.

*If any of this sounds interesting to you, then our
Brown County Memory Cafés are for you!*
