

## COMBINED MEMORY CAFÉ AND SPARK!

We provide a fun, comfortable environment where people with early-stage memory loss, along with their companion and/or caregiver, can socialize, relax, engage, and enjoy the company of others who are on the same journey.

### “SPARK A MEMORY”

**Location: Neville Public Museum**

**210 Museum Pl, Green Bay - off Dousman St. & the Main St. Bridge**

**Tuesday, August 17th, 2021—10:00-12:00 \*RSVP appreciated**

**\*RSVP contact:** Connie Roberts at 920.412.9960, email [croberts@curativeconnections.org](mailto:croberts@curativeconnections.org) or Ryan Swadley at [Ryan.Swadley@browncountywi.gov](mailto:Ryan.Swadley@browncountywi.gov)

### Spectacular Science!

It looks like magic, but it's even better, it's science! Join in the fun & laughter as we participate in a handful of short science experiments and then learn all about some of the artifacts in the Neville Public Museum's special exhibit - "*Spectacular Science*".

This dementia friendly program includes our usual welcome time, along with introductions, social snack time, and then we take part in group brain games together. Even though the museum is closed to the public on Tuesdays ... we will be able to enjoy a free guided tour of the latest exhibit.

*There is no museum membership or cost required to attend with a caregiver.*

*We are asking for an \*RSVP, so we can socialize among others safely. Wearing a mask may still be required in common areas. In-room tables are arranged so social distancing can take place. Please, stay home if you are not yet comfortable being around others, if you have health issues that put you at risk, you are not feeling well, or have been sick in the last 10 days.*

The Brown County Memory Cafes are sponsored by the following:
