BROWN COUNTY MEMORY CAFES

Our Mission...

"To provide a safe and comfortable environment where people with memory loss and their companion/caregiver can socialize, engage, relax, and HAVE FUN with others traveling the same journey".

A MEMORY CAFE IS...

Open to anyone with early memory loss, other early dementia symptoms, or mild cognitive impairment- to attend with a spouse, friend, family member or significant other. The Memory Café is an opportunity for people with dementia, and those close to them, to be social and have fun in an understanding stigma free setting. Socialization often decreases for people with dementia and those close to them, and this is an opportunity to remain connected, engaged, and social. Laughter, fun, friendship, creative engagement, refreshments, activity, socialization, understanding, life, hope, and value are all things you can expect at a Memory Café.

NO RSVP REQUIRED

Monthly Cafés require no reservations, no expectations, and no cost...simply an open invitation to attend. Outings may require a RSVP and a shared cost to all attendees. To receive information regarding upcoming cafes or any questions, please call Jessie
