32 falls per day
are reported in Brown County,
our community's #1 trauma injury
We can help reduce your fall risk!

Join this **SteppingOn** workshop for adults age 60 and older that have fallen or have concerns about falling. This workshop provides expert advice from a local physical therapist, pharmacist, vision specialist, and first responder.

Learn about these topics:

- Identify and avoid fall hazards in your home and outside.
- How vision, hearing, medication, and footwear affect your risk of falling.
- Strength and balance exercises adapted to your individual level.
- How to get back on your feet the right way if you do fall.
- And more!
