Paying for Foot Care
Private pay is generally the only option for toe nail clipping, however some agencies accept donations. Insurance is not billed for foot care, unless: Medicare - Must be actively treated by a doctor for a medical condition affecting circulation of the legs or feet. Medicare Part B covers the services of a podiatrist (foot doctor) for medically- Medicaid - Foot care must be a medically-necessary service for the diagnosis and treatment of the feet and ankles. There is a small co-payment for foot care. If being treated for a medical
